

ATARI

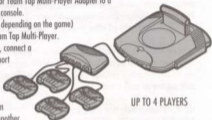

TEAM TAP™

MULTI-PLAYER ADAPTER

1) Connect the cable from the Jaguar Team Tap Multi-Player Adapter to a controller port of your Atari Jaguar console.

2) Connect one or more (up to four depending on the game) Jaguar controllers to the Jaguar Team Tap Multi-Player.

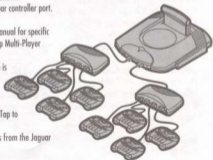

3) To play a game with five players, connect a Jaguar controller to one controller port of your Jaguar console, and the Jaguar Team Tap Multi-Player Adapter to the other controller port. To play a game with more than five players (up to eight), connect another Jaguar Team Tap to the other Jaguar controller port.

Note: Refer to individual game manual for specific instructions to use Jaguar Team Tap Multi-Player Adapter. Upon start up, Team Tap recognizes that a Jaguar Team Tap is connected. Simply follow the software directions to select options and play the game.

—Do not connect the Jaguar Team Tap to another Jaguar Team Tap.

—Do not remove Jaguar controllers from the Jaguar Team Tap during game play.

WARRANTY

Atari warrants to the original purchaser this product to be free from defects in material and workmanship under normal authorized use for a Warranty Period of ninety (90) days from the date of purchase as evidenced by your receipt. Atari will replace the defective hardware free of charge. After the expiration of the Warranty Period, you assume the entire cost of all necessary servicing, repair or correction.

The warranty is null and void if the hardware has been opened and/or any parts were removed or if software or any accessories other than those authorized by Atari are used in connection with this product. Warranty does not cover accidental or intended damage or neglect. If the product displays a fault within the Warranty Period, the user should return it to his place of purchase (along with appropriate receipt), who will follow the required procedure to obtain a replacement.

In no event shall Atari be liable for consequential or incidental damages resulting from the breach of any express or implied warranties. Some states and countries do not allow limitations on how long an implied warranty lasts or exclusion of consequential or incidental damages, so the above limitation or exclusion may not apply to you.
